

Dear Parents,

Many have asked about our summer program. We have decided once again to hold an 8-week session this summer.

Summer session runs for 8 weeks from June 7th – July 28th (Tuesday/Thursday) (9:00 a.m. –3:00 p.m.)

We will add Wednesdays if needed.

For children ages 1 thru Kindergarten (going into 1st grade.)

As the current Children’s Learning Program policies state, registration will be held first-come, first-served basis. Children who are currently in our program will be able to register first.

There will NOT be a set registration time. When you receive these forms, please fill them out and return them to the Children’s Learning Program office as soon as possible. If you need forms for additional children, please see us in the office. We are not restricting days this summer. Your child may come as many days as we offer. Please call ahead to check availability. In the event that full enrollment and staff are not obtained by April 30th, summer session will be cancelled and checks will be returned to you.

Due to budget restraints there will not be any financial aid available.

If you have any questions please see me or call me. The phone number at school is 873-5706. My E-mail address is rcafarney@aol.com. Feel free to contact me. Anita Maines is the assistant director during the summer.

Thanks,

Carol Farney and Anita Maines
